DRAFT OF THE PROGRAM

Moscow International Recycling Expo 2025

and the 20th INTERNATIONAL FORUM "FERROUS ANF NON-FERROUS SCRAP METALS"

April 16-18, 2025 SOLUXE HOTEL MOSCOW 5*, Vilhelma Pika str. 16

1 DAY. (Wednesday, APRIL 16)

2nd FLOOR	
Installation of the BEIJING exhibition hall and LOBB	Y 3rd floor
Installation of the exhibition	00: 00-20: 00 3rd floor
Registration	10:00 0-20: 00
Client event "Business Breakfast Huahong-Rus"	
10.30-12.30 Client event "Business Breakfast Huahong"	
(for all registered forum and exhibition delegates)	
14.30 – 21.00. Exit event-transfer to the BITSA site.	10.30-12.30
Warehouse and office tour; dinner; presentation of	Yangtze
certificates and medals (according to the list of invited	
guests);	
20.00-21.00 Transfer to SOLUXE HOTEL MOSCOW 5*	
Conference "Stainless steel scrap market in Russia"	
The market of stainless steel and scrap in 1992-2030	
in the Russian Federation;	
New stainless steel production facilities in the	
Russian Federation;	
The role of stainless steel import and export in the	
Russian Federation, regulation of the export of	
stainless steel scrap;	11-00 10-00
Madayataya Allaina Dudayaya ayakii fi ayaa NODO	11:00 - 13:30 Shenzhen
Moderators: Albina Dudareva, public figure; NSRO	Silenzilen
RUSLOM Association.COM, Viktor Kovshevny, Director;	
Speakers and experts:	
Ministry of Industry and Trade of the Russian	
Federation, Andrey Savelyev, Deputy Head	
of the Ministry of Industry and Trade of the	
Russian Federation. Directors of the	
Department of Metallurgy;

Technical Sciences, Professor;	Shenzhen
Creation of a system for recycling rare-earth metals in	
the Russian Federation	
, RUSREDMET Group of Companies, Andrey V. Nechaev,	
General Director, Candidate of Technical Sciences;	
,	
Separation of rare-earth metals from scrap	
electronics, as a new source of industry growth	
, Electronics Materials Recovery Association "Elematika"	

Alexey Gorelov, Chairman of the Management Board;

Launch of an innovative production facility for the extraction of rare earth metals from electronic scrap and magnet production waste

Industrial Technologies of Metal Recycling LLC, Gerya Vladimir Olegovich, Project Manager;

Electronic scrap as a source of secondary tantalum production, South Ural Specialized Recycling Center JSC, Shiryaev Alexey Adolfovich, Director;

Promising projects in the field of rare and rare earths Rosatom Metalltech LLC, Valery A. Borisov, Deputy Director for Development - Head of the Scientific and Technical Center. Candidate of Technical Sciences:

Electrical waste - a constantly growing source of rare earth metals extraction

Ecopolis Corporation JSC, Ilya E. Fedorov, GR Director, Member of the Closed Economy Development Council of the Russian Chamber of Commerce and Industry;

Retrospective formation and view of the current state of the raw material market for rare, rare-earth and precious metals in Russia in the context of the development of electronic scrap processing technologies

Environmental Management Fund, Vladimir Mikhailovich Alentsin, Chairman of the Board of the Environmental Management Fund;

Panel discussion ● Is there a market for rare-earth metals in Russia? Raw materials supply for factories ● The global race for REM: what is behind it? ● Preparation of a resolution of the industry community with proposals for improving activities in the field of LOD, WEEE, RM, REM; ● State regulation, accounting and analysis of electronic

Session "FOREIGN TRADE AND LOGISTICS"

and electrical equipment waste.

Обсуждение Discussion of key challenges and opportunities in the logistics of secondary alloys (secondary aluminum, brass, copper) and non-ferrous scrap in 2024, forecasts for 2025, analysis of the abolition

15: 00-17: 00 BEIJING of foreign exchange duties and their impact on the market, financial logistics and importation- export schemes.

Moderators:

Konstantin Viktorovich Sharov, Managing Partner of DelMar Logistics LLC, Associate Professor of the Department of Transportation Technology and Organization of the Makarov Institute of International Transport Management of the GUMRF; Grigory Borisovich Airiev.

Opening remarks (15:00-15:05)

Speaker: Konstantin Viktorovich Sharov

- Brief presentation of DelMar Logistics LLC
- Session objectives: practical solutions for exportimport operations
- Presentation of key speakers

DML-RM Index: a universal logistics assessment tool (15: 05-15: 15)

Sharov Konstantin Viktorovich

- Methodology for calculating the index
- Scope and practical value

How to survive in the era of change and not lose money: real cases of improving the efficiency of scrap delivery by road (15:15-15:30)

Pavel I. Vlasov, General Director of AmurStalcHermet LLC.

- Trends in the scrap procurement market
- Comparison of scrap delivery methods: railway and road transport
- Problems faced by supply chain participants (in road transport)
- Measures taken to minimize risks

A brief overview of the export of stainless steel scrap under sanctions (15:30-15:45)

Konstantin Viktorovich Sharov

- Analysis of the consequences of Sanctions introduction
- Main restrictions and barriers
- Working schemes of export through the Customs Union countries

Global scrap market in new conditions.

Opportunities for strategic cooperation between

Russia and Turkey in the field of metallurgy. Steel

Radar, Edzhem Korabochek, specialist in the ferrous
scrap market.(15:45–15:55)

Export of non-ferrous metals (secondary aluminum, brass, lead): analysis of the logistics market in 2024 and prospects in 2025 (15: 55-16: 15)

Yulia A. Gerasimenko, Executive Director of DelMar Logistics LLC.

- Export overview: up to 2022, in 2024 and Q1 2025 (routes, dates, tariffs)
- External sanctions and internal restrictions impact on tsvetmet's exports
- Export Prospects in 2025
- Financial instruments for logistics support "
 Primsotsbank, Alexey Balashov (Online);*

Myths and reality of containerization (16:15-16:30)

Alexey Bezborodov, General Director of Infra Projects LLC.

- When containers are more profitable than bulk transportation
- Hidden costs of routes through
- the Far Eastern Federal District Analysis of the transshipment case in Kazakhstan

Импорт Import of equipment and raw materials for Russian factories.

Typical difficulties and errors in organizing equipment deliveries (16:30-16:45)

Alexey Lebedenkov, Head of the Development Department of DelMar Logistics LLC.

- Deliveries under sanctions;
- Main difficulties and mistakes
- Case of grapple delivery from Germany.

How to protect your business from currency risks. Hedging mechanics (16:45-16:55)
